**TO:** All Conservation District Chairs

**FROM:** Mark Clark, Executive Director

**SUBJECT: WSCC District Satisfaction Survey**

---

We have developed a new survey covering a number of topics and would appreciate your help in letting us know your opinions on how the Commission staff and services are meeting your needs. This information is important for us to use in identifying your needs and will be used to create our future work plan.

We ask that you send in only one survey per district. This will help us in compiling the information. The survey is being sent to each district chair. We encourage you to meet with your Board and staff to complete the survey. We welcome all comments and suggestions. Feel free to use additional paper if you would like!

The survey is designed to be anonymous. For your convenience a self-addressed stamped envelope is included. Our goal is to present the survey to the Commission Members during the May meeting. **Please return the completed survey by May 8<sup>th</sup>.**

Thank you in advance for your time and recommendations for assisting us in improving WSCC programs and services. If at any time you have issues or concerns, please feel free to give me a call at 360.407.6200.
